RE: ARTEMIO MENDEZ ARROYO, C-20149  
PAROLE CONSIDERATION HEARING -- FEBRUARY, 2000 CALENDAR

Dear Mr. Nielsen:

I appear before you in written communication to ask for the release of my loving father. It is my sincere hope that the true feelings that I express at this time will enable you in making a favorable decision in finding my father suitable for parole.

I am painfully aware that prior to my father's incarceration at age seventeen, his behavior and motives were influenced by negative emotions. However, since my father has been in prison he has done his best to make a better person of himself.

There is no doubt in my mind, that my father is the same person that he might have been a very long time ago and that he is sincerely remorseful for his harmful actions in the past. I can say with certainty that today He is a very caring and responsible person. He is fully aware of his past behavioral problems and now has the personal skills that will enable him to avoid problematic situations in the future.

During the past 20 years my father has been in very close contact with family/relatives and it is our intention to do everything we can to help him with living arrangements as well as employment upon his release from prison. With the dedicated support of family/relatives there will be no difficult area that my father will have to conquer.

My loving father is now 37 years old who has been in prison since the age of seventeen. I truly miss my father and so does his loving family. Please find it in your heart to find my father suitable for parole at this time.

I would be happy to attend his parole hearing if it would be helpful, as you consider him for parole. Please feel absolutely free to contact me at the address/telephone noted above if I can be of further assistance.

Sincerely your,

Cindy Arroyo

To whom it may concern,

I, Irma Araujo, am a friend of Artemio Arroyo and am writing in his behalf in support for his parole to be granted.

I have known Arroyo for 3 years now. We have been good friends.

I am aware of his crime and the years he has served in prison.

My opinion on Arroyo's character is that he is an honest, patient and understanding person. Arroyo has taken and completed different courses in educating himself for a career for when he is released. And he has also taken courses such a NA and AA even though he has no past drug or alcohol use, to educate his inner self. These courses help him to understand himself, as well as others around him.

My knowledge of Arroyo's behavior while serving his time is that he has done good for himself, as much as possible.

I am willing to be of any assistance to Arroyo when he is released, as far as support in friendship. I am willing to help him in finding housing or in job hunting, filling out applications, resumes, find support programs or in any other needed assistance. And the most important asset I can offer to Arroyo is my friendship. Sometimes just being there for someone at whatever hours day or night, to talk to, can make a difference in a person's life.

I recommend that Arroyo be considered for parole. Arroyo has a positive attitude in life, is family oriented, has prepared himself for a normal life on the outside. Arroyo was only a teenager when his life changed and the other person's life ended. Arroyo has shown regret very much for what he committed at such an early stage of his life. Arroyo has served his time, completed his prison term and I feel is ready to start a new life. After so many years Arroyo will need some time to adjust to the outside world. I am willing to be there for him, support him in any way needed to adjust and to continue on with his life.

**I. COMMITMENT FACTORS:**

A. **Life Crime:** Murder 2<sup>nd</sup>, PC 187, one count; case #30688. Sentence: 15 years to Life. MEPD: 8/2/89. Victim: Daniel Thomas Martino, age 16.

1. **Summary of Crime:** On 9/10/78, at approximately 11:00 p.m., Daniel Thomas Martino was murdered as a result of being shot in the head with a shotgun. Arroyo and several companions had chased a car containing the victim and another individual, thinking that these two people had made threats against Arroyo's brother. The car in which Arroyo was riding pulled alongside the victim's car in an attempt to get it pulled over, during which time occupants of both cars swung sticks and pipes at each other. When the other car failed to pull over, Arroyo retrieved a shotgun from beneath the seat and fired it at the other car, striking the passenger and the driver. The victim's car then swerved and ran into a parked car. The driver was pronounced dead on arrival at the hospital. The passenger was treated and released.

2. **Prisoner's Version:** Arroyo stated that for some unknown reason, some male subjects who resided in Woodbridge had threatened to kill Arroyo's brother, Manuel. During the time of the threats, Arroyo had been detained in juvenile hall regarding another charge. When he was released, his brother Manuel told him about the threats. On 9/10/79, Arroyo was repairing his automobile when some friends approached him and the threats on his brother Manuel were discussed. They were all consuming intoxicants at the time. It was known that Aliasar was at the park with Manuel and that Aliasar had a shotgun. Aliasar had stated that the subjects from Woodbridge had a shotgun and knives. At Aliasar's (Allazar) suggestion, the group went to look for the Woodbridge subjects. He said he knew where they were and that that they were at the cannery waiting to "get him." Enroute to the cannery, they stopped to purchase liquor. After purchasing the liquor, they went to a park. After exiting the car, Aliasar said that he saw a car coming and that it was the subject's from Woodbridge. The victims circled the park and left. A pursuit began in the cars with sticks and bottles being used as weapons. Arroyo was in

the front seat and was hit with a bottle. The cars were bumping into each other during the pursuit. Someone from the backseat handed him a gun that he states he did not know was loaded. He also stated that he did not intend to kill anybody but only to fight with them. As the cars proceeded down the road, Arroyo pointed the gun (shotgun) at the victim's car and when the cars bumped into each other the shotgun went off. Arroyo stated that he was extremely "loaded" and thought he was going to get sick prior to the shooting. Arroyo states that he was 17 years old at the time of the crime and that he does feel remorse for committing the crime. He states that he is now more mature and is ready for society and to start a new life. He added that he now has a daughter and granddaughter. Arroyo stated that divorce proceedings were begun and believes he is no longer married.

**B. Aggravating/Mitigating Circumstances:**

**1. Aggravating Factors:**

- a. A weapon was utilized in committing the crime.
- b. The planning with which the crime was committed indicated premeditation.

**2. Mitigating Factors: Arroyo was a juvenile at the time of the crime.**

**II. PRECONVICTION FACTORS:**

**C. Personal Factors: Arroyo was born on 6/6/62 in Mexico. He was the youngest of four children born to the marriage of Jose Arroyo and the former Della Mendez. He stated that his father died when Arroyo was a small child of unknown causes. His mother remarried in 1970 to Augustine Sanchez in Mexico. Arroyo stated that he first came to Stockton, CA, when he was 15 years old to work for his stepfather. Prior to that he had lived in Los Angeles and San Diego. I. COMMITMENT FACTORS

A. Life Crime:

On 9/10/79, at approximately 11:00 PM, police officers responded to a car crash at the 800 block of S. Cherokee Lane in Lodi, CA. They found 16 year old Daniel Martino slumped over the passenger side of the vehicle, which had crashed into a parked car. Martino was pronounced dead on arrival at the hospital. The driver, 16 year old Eddie Ramirez was treated at the hospital and released. The defendant Arroyo was subsequently arrested for firing a shotgun into the passenger area side of the moving vehicle, attempting to pull the other car over while occupants of both cars assaulted each other with sticks and pipes. Arroyo got mad and pulled a shotgun from under the car seat of the vehicle and fired into the vehicle that the victim was in. The victim's car veered to the left and crashed into a parked car.

B. Prisoner's Version:

(Phone interview follow up on 2/10/94) Arroyo states the he is remorseful for what happened. He was (17) seventeen years old at the time and unable to undo what has already been done. He wants to go on with his life. Other statements regarding the offense, in the Probation Officers Report and Initial hearing, remain the same as previously stated.

C. Aggravating Circumstances:

1. Weapon was used in the commission of the offense.
2. Premeditated, defendant and accomplices pursued the victims with a loaded weapon.
3. Gang affiliation points to high level of criminal sophistication.

4. Defendant's remorse appeared to be that he shot and murdered someone from Tracy instead of Woodbridge.

D. Mitigating Circumstances: None.

## II. PRECONVICTION FACTORS

Prior documents from Probation Officer's Report and Initial Hearing have been reviewed and that information remains valid.

## III. POSTCONVICTION FACTORS

Arroyo received CDC 115's, on 4/7/92, for Possession/use of a Controlled Substance (Marijuana), and on 6/28/92, for Possession of Heroin. He has remained disciplinary free for approximately 1 year 9 months. Since his last Board hearing on 8/23/91, he was placed in Vocational Small Engine repair. He was placed in WG A1/C non-contact visits by Unit Classification Committee (UCC), on 9/16/92, as a result of the 115 he received for drugs. On 12/30/92, non-contact visits were re-instated. On 7/13/93, he was assigned to B-1 Porter, where he remains to date. There are no work performance reports in the C-file for the latter part of 1992 or 1993; however, time cards indicate consistent attendance in his assignment!

## IV. FUTURE PLANS

Remain valid as previously stated in Initial/Subsequent #1 hearing.

## V. SUMMARY

Review of Central file indicates he has strived for improvement. He has met some of the Board's requirements in that he has finally stopped getting CDC 115's and has remained disciplinary free for approximately 1 year and 9 months. He has not, however; taken any self-help Alcoholic Anonymous classes at Calipatria. Up to 7/19/92, while at Richard J. Donovan Correctional Facility, he participated in Alcoholic Anonymous/Narcotic Anonymous classes. He appears to be a steady worker, reluctant to leave the porter position and lose the small stipend he receives for his

personal needs. He feels that the training in Small Engine repair and Wood Shop Furniture will aide him is seeking employment when he gets his parole date. In the mean time he is on the Vocational waiting list for Silk Screening. On 12/23/92, an Olsen Review was conducted by the counselor.
